Profile

Product marketing leader with 8+ years driving go-to-market strategy for B2B SaaS products across Latin America. Skilled at translating complex technical capabilities into positioning that resonates with enterprise buyers, and at building cross-functional alignment between product, sales, and marketing teams to hit adoption and revenue targets.

Experience

- Senior Product Marketing Manager**
Nortek Cloud Solutions – Remote (HQ: Austin, TX)

2022 – Present

 - Led go-to-market strategy for three product lines generating \$14M ARR combined, coordinating launch timelines across product, sales enablement, and demand generation.
 - Repositioned the core platform’s messaging after a competitive audit, contributing to a 22% increase in qualified pipeline within two quarters.
 - Built and mentored a team of three marketing associates, establishing a shared OKR framework tied to pipeline and retention metrics.
 - Partnered with the product team to prioritize the roadmap based on win/loss analysis and customer advisory board feedback.
 - Directed a rebrand of the company’s flagship product line, aligning visual identity and messaging across web, sales collateral, and product UI.
- Product Marketing Manager**
Bridgeline Analytics – San José, Costa Rica

2020 – 2022

 - Owned positioning and launch execution for a new analytics module, achieving 40% adoption among existing customers within six months of release.
 - Designed and ran a quarterly competitive intelligence program, briefing sales leadership monthly on shifts in the competitive landscape.
 - Created a library of ROI calculators and case studies that shortened average sales cycle length by two weeks.
 - Collaborated with regional sales teams across four countries to localize messaging for distinct buyer personas.
- Marketing Analyst**
Vantage Retail Group – San José, Costa Rica

2017 – 2020

 - Built weekly and monthly dashboards in Tableau tracking campaign performance across paid, organic, and lifecycle channels.
 - Ran A/B tests on email lifecycle campaigns, improving click-through rate by 18% over one year.
 - Supported regional expansion research for entry into two new Central American markets.
 - Coordinated with the design team to produce seasonal campaign assets across five channels.
- Marketing Intern**
